CTO, Yetsu S.A.C Jun 2013 – Aug 2015

- Co Founder & CTO of Yetsu S.A.C. Our agency helped develop websites for clients. The main focus and objection were to create platforms for clients to their satisfaction. With the diversity of web development from restaurants, hotels, and marketing facebook campaigns for two companies, our agency created a vast of platforms.
- Development a web with eCommerce focus for XCOREISC(Django)
- Enterprise software for CONSAMA.S.A.C.(Django)

- I was the instructor of 2 courses for this company and sponsored by PRG. University

President, X COREISC May 2015 – May 2015

- Led a large team composed of more than 60 persons for a week-long conference called COREISC, a tech event for computer-science enthusiasts in the north-region of Peru. Cheif and team leader that organized the people into 5 groups: marketing (social network), sales (promote and sale the events and tickets), protocol (conference usher, event coordinator, personal assistant), IT (build the website for the conference to purchase tickets on), legal (taxes, legal documents for the conference, and official/legal invitations).
- +500 attenders
- First Event of APEISC(brand's owner) with online payments(paypal and credit cards)
- New sub events created like battle of startups, ignites, hackaton, etc.

UNPRG Represent (Student Representative), APEISC Nov 2011 – Aug 2014

- APEISC (currently known as APECIT), is the largest and official community for all students of Software Engineering and computer-science in Peru. Once a year an immense amount of Universities from around the country would choose two students to represent them. This organization was given certain responsibilities to contribute to the computer science community in the country and help promote events and activities to encourage college students to keep growing up in their tech careers.
- Senior Associate 2013 -2014
- Associate 2014

Teacher, YETSU S.A.C. & UNPRG Apr 2013 – May 2013

- Web development

REFERENCES

Omar joined Velocis and our remote team as a very green junior developer. I've been very impressed with how he has pushed himself to progress over the years and how his skills have improved. Omar is also the most loyal employee that I've ever worked with and this is a quality I value immensely. I would recommend Omar for any developer role that will continue to support his growth.

— Bradley Joyce, CEO Velocis LLC
